

9/10/83

41

Program - 15
Experiment - 11

Aim: Develop a website of "Kerala"

Page 1 - HOME PAGE

divided into two vertical
a. Gith should be about a college in a home-page
frames.

Page 2 - TOURIST PLACES with Scrolling data

Page 3 - Insert any movie or video file.

Design the pages with attractive colours combinations,
images, background, Scrolling text and an ordered
list of various tourism spots. Give linking
options to different pages.

<body style = "background-color: cyan;"> </body>
<center> <b3> <b> Welcome to Kerala Tourism
</b3> </center>
<b4> Here are some Tourism places in Kerala </b>

```

</b4>

<center><b5> Munnar </b5></center>

<center></center>

<p> Munnar is a town in the Western Ghats Mountain range in India's Kerala State. A hill station and former resort for the British Raj elite, it's surrounded by rolling hills dotted with tea plantations established in the last 19th century </p>

<center><b5> Alleppey </b5></center>

<center></center>

<p> Alappuzha (or Alleppey) is a city on the Laccadive Sea on the southern Indian state of Kerala. It's best known for houseboat cruises along the rustic Kerala backwaters, a network of tranquil canals and lagoons </p>
